

VIRGINIA VIBE 12U

FINALLY, A LOCAL OPTION FOR TALENTED SOFTBALL PLAYERS.

BACKGROUND

For far too long, talented softball players and their families have been leaving the Centreville and

Chantilly area to play for programs in Ashburn, Leesburg,

Tyson's Corner, Herndon and beyond. We believe that there's enough talent in the immediate area to field a competitive team while preparing the players for high school softball.

TRAVEL ONLY

The Virginia Vibe 12u is a full-time travel experience unaffiliated with any league and there is no house requirement.

Players will be among their peers with the same skill-set and with the ability to build their skills in practices and games that are competitive and match their abilities.
